Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students may enter with either a baccalaureate or a master's degree. Those with a master's degree in counseling or psychology may be able to complete the program in less time than those entering with a baccalaureate. See Program Handbook for course requirements and time limits for program at [http://ed-psych.utah.edu/counseling-psych/handbooks.php](http://ed-psych.utah.edu/counseling-psych/handbooks.php).
