Take CPCE Exam in final academic year of the program, year 3.				
TOTAL CREDITS				60
	Completed 60 hours for the program in three years			
	Completed 800 hours Practicum & Internship (350 hours must be direct service)			
	Passed CPCE			

*To graduate, students are required a total of 8 credit hours of Internship over the course of at least two semesters and it must include Internship 1 and Internship 2; a summer internship is optional, but the fall and spring internship experience is required. If you begin your internship in the summer, you sign up for internship credit hours in the summer and then take fewer internship credit hours in the fall and spring semesters. If you do not begin internship in the summer, you will need to take the 8 credit hours over the course of the fall and spring semesters.

** These courses can be taken at any point after the first semester of the program. You can consult with the Program Director to establish the best schedule for you.

***These courses can be taken in year 2 or 3 of the program. You can consult with the Program Director to establish the best schedule for you.
